

SHOOT ONE

SHOOTING & ASSEMBLY SIMULATOR

HUNGARIAN DEFENCE
EXPORT AGENCY LTD.

BENEFITS

- Empowers military personnel to master firearm handling through extensive target practice at varying distances – offering unlimited ammunition for skill refinement
- Features the CZ-P09 with upcoming additions like the BREN2 and more; we are prepared to incorporate any weapon of your choice

- Comprehensive, step-by-step guidance provided through instructional videos, while AI-driven gesture control enables a seamless, controller-free experience
- Gathers performance results, telemetric, and biofeedback data, presenting them as easily digestible infographics for analysis
- Compatibility with the widely accessible Quest 2 ensures rapid and effortless distribution, facilitating large-scale utilization in minimal time
